RAISE YOUR GAME

Junior Girls & Women ONLY Coaching Programs

Designed & Coached by Leila Harman

Golf is an individual sport, but it is also a very social game that women of all ages and skill levels can enjoy.

We want to help grow the game and empower women to be comfortable on the golf course.

In a comfortable and social atmosphere you will learn a sport that you can play for a lifetime. Whether you are a beginner who needs to learn the basics, or a veteran who wants to meet new golf partners, we have a program for you!

Leila Harman

Associate Professional Coach
PGA of Canada, 'Class A'

Leila creates a comfortable learning environment allowing her to identify the student's strengths and weaknesses. By incorporating athletic motion drills and exercises into each lesson, students will have a well-rounded practice routine that golfers of all skill levels and ages can relate to. With three decades of playing experience and 14 years of coaching, Leila draws from her own experiences to help create an engaging atmosphere for all of her students.
